## SKILLS

- **Languages:** C++, JavaScript, C, PHP
- **Frameworks:** HTML and CSS, Bootstrap, NodeJS, React, ExpressJS
- **Tools/Platforms:** MySQL, MongoDB, Vs Code, Prisma
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability

---

## INTERNSHIP

### BHARAT INTERN - Empowering Innovation Software

Since March 2023

- **SDE Intern**

**Description:** Built a responsive Netflix clone using HTML and CSS, replicating the UI/UX of the original platform. Designed an intuitive layout with a modern, pixel-perfect interface, including a homepage, movie thumbnails, and hover effects.

**Key Contributions:**

- Developed a fully responsive design compatible with different screen sizes.
- Implemented CSS animations and hover effects for a better user experience.
- Enhanced UI consistency using Flexbox and Grid layout techniques.

---

## PROJECTS

### Netflix clone- OTT Platform:

Duration 2023

Tasked with replicating the user interface and design of the popular Netflix streaming platform..

Successfully developed a fully functional and visually appealing Netflix clone, demonstrating strong front-end development skills and efficient use of Bootstrap for responsive design.

**Tech:** HTML, CSS, JavaScript, Bootstrap

### Blog-Website:

Duration 2024

Developed a fully functional blog website using the MERN stack (MongoDB, Express.js, React.js, Node.js) to enable users to create, read, update, and delete blog posts. The project demonstrates proficiency in full-stack web development, including RESTful API design, database management, and front-end interactivity.

Key features include user authentication, CRUD operations, responsive design, and dynamic routing for seamless navigation.

**Tech:** React, NodeJS, ExpressJs, MongoDB

## CERTIFICATES

- Data structure And Algorithms Master Course by Love Babbar (codehelp) Duration 2024
- Cloud Computing Course by NPTEL Duration 2024

---

## ACHIEVEMENTS

- **Solve 350+ problems and Secured 1359 contest rating on Leetcode:**  
Demonstrating strong algorithmic and competitive programming skills
- **Achieved Second District Topper rank in Class 12:**  
Secured 1<sup>st</sup> rank in school
- **Served as Head Boy in class 10:**  
Collaborated with prefects, student councils, and faculty members to organize school functions and address student issues
